PACKAGING :

- 90 wipes / dispensing container
- Cardboard box of 6 containers
- Pallet of 72 cardboard boxes

A AREAS OF APPLICATION

WIPES EXPRESS 90 EXTREME DIRT uses advanced technology to clean hands. WIPES EXPRESS 90 EXTREME DIRT works rapidly and can be used in all situations. Its no-residue cleaning system requires no water, rinsing, wiping dry or drying.

On top of ordinary dirt and paint, WIPES EXPRESS 90 EXTREME DIRT removes stubborn stains like oil, fat, lubricant, tar, grease, adhesive, asphalt, ink, wax, charcoal, grass and many more. It can also be used on smooth surfaces like computers, photocopiers (toner), fax machines, whiteboards, car interiors, wheel rims and machines.

WIPES EXPRESS 90 EXTREME DIRT works very effectively on hands and also rapidly cleans all smooth and non-porous surfaces (tools, mechanical parts, work surfaces and bodywork).

WIPES EXPRESS 90 EXTREME DIRT is the combination of an abrasive but non-irritating towel and plant-based solvents with a very high degreasing ability.

Areas of application:

CONSTRUCTION – PAINTS – TECHNICAL SERVICES – TOWN HALLS – ORGANISATIONS – BOILER ROOMS – COUNCIL HOUSING – PLUMBING – CIVIL ENGINEERING – PRINTING – MECHANICAL ENGINEERING AND AUTOMOBILE INDUSTRY – NAVY – AIRCRAFT INDUSTRY – TRANSPORT – GREEN AREAS – FOOD-PROCESSING – AGRICULTURE

APPLICATION PRECAUTIONS

Make sure the seal is properly closed after every use.

1. PROTECTION OF SURFACES: Does not present any particular risk on materials.

2. PROTECTION OF PERSONS: Wipes for professional use. Avoid contact with eyes. Not to be used by children.

Important: The contents of this document stem from our experience with the product. We cannot be held liable as far as its use is concerned in every individual case. Given the particular characteristics of each surface (wear and tear, alteration of the entire surface and / or its properties, chemical composition etc.), and to avoid any damage to the surface to be treated, it is essential that the Scalp product be tested on a small area to be treated, by following the procedure for application, in order to ensure that no alteration occurs. Professional product: dangerous, follow application precautions. Wear personal protective equipment (PPE) and refer to the safety data sheet (SDS).

SCALP SAS, an EcoVadis-certified company – the certification is awarded to the company, not the product.
